Inside the Minds: The Legal Side of Entertainment, Sports, and Media is an authoritative, insider's perspective on the laws that shape these industries, the characteristics and capabilities of the successful practitioner, and the future of these legal disciplines, on a global scale. Featuring Department Heads, Group Chairs, and Leading Partners, all representing some of the nation's top firms, this book provides a broad, yet comprehensive overview of these practice areas, discussing the current shape and future state of these unique industries, as well as the laws that outline, influence and regulate them. Addressing the challenges, intricacies, and rewards of representing high profile clients – musicians, sports teams, and publishing houses alike – as well as the underlying complexities of contracts and strategic negotiations, raising critical points around keeping up with the latest technological advances and ever-changing laws, these authors articulate the finer points around entertainment now, and what will hold true into the future. The different niches represented and the breadth of perspectives presented enable readers to get inside some of the great legal minds of today, as experts offer up their thoughts around the keys to success within these fascinating practice areas – where law and entertainment intersect.
