Joyce Johnson

**The Voice Is All: The Lonely Victory of Jack Kerouac** Joyce Johnson

**A groundbreaking portrait of Kerouac as a young artist—from the award-winning author of *Minor Characters***

In *The Voice is All*, Joyce Johnson, author of her classic memoir, *Door Wide Open*, about her relationship with Jack Kerouac, brilliantly peels away layers of the Kerouac legend to show how, caught between two cultures and two languages, he forged a voice to contain his dualities. Looking more deeply than previous biographers into how Kerouac's French Canadian background enriched his prose and gave him a unique outsider's vision of America, she tracks his development from boyhood through the phenomenal breakthroughs of 1951 that resulted in the composition of *On the Road*, followed by *Visions of Cody*. By illuminating Kerouac's early choice to sacrifice everything to his work, *The Voice Is All* deals with him on his own terms and puts the tragic contradictions of his nature and his complex relationships into perspective.
