A Pair of Blue Eyes Thomas Hardy

A Pair of Blue Eyes - One of Thomas Hardy's Earlier Masterpieces

Beautiful stories about love and the duty that women were expected to fulfill back in the "old days" are not uncommon. However, if you want to find one of the most unique and remarkable of these stories, A Pair of Blue Eyes - one of the most distinguished earlier works of Thomas Hardy's - is probably one of the best books you can consider.

Centered around a female character who has a very difficult choice to make between her father's wishes and her own heart's desire, the book will captivate even modern day readers just as much as it did people throughout the past decades, providing the best in entertainment, drama, intrigue and heartbreak, while making everything all the more exciting through Hardy's unmistakable writing style.

Elfride Swancourt, the beautiful young woman with the blue eyes that the novel's name points to, has met a young architect by the name of Stephen Smith whose attention she enjoys very much. Unfortunately, Stephan's inadequate social status draws unwanted attention from the girl's father, who forbids her to see him again. Elfride finds herself face to face with another suitor, an older and significantly wealthier gentleman who goes by the name of Henry Knight. What will her ultimate decision be?

Although the plot is seemingly simple, there are plenty of complex twists and actions that will surprise or even bewilder you. In fact, some even think the word "cliffhanger" originated from this novel, due to an episode during which Henry Knight found himself being left hanging from a cliff.

Whether you're more interested in the exciting suspense or the intriguing love affairs, A Pair of Blue Eyes is a book that will never disappoint.

From reader reviews:

Roger Johnson:

Here thing why this A Pair of Blue Eyes are different and trusted to be yours. First of all reading a book is good but it really depends in the content of it which is the content is as delicious as food or not. A Pair of Blue Eyes giving you information deeper and in different ways, you can find any reserve out there but there is no guide that similar with A Pair of Blue Eyes. It gives you thrill examining journey, its open up your eyes about the thing that happened in the world which is maybe can be happened around you. You can bring everywhere like in recreation area, café, or even in your technique home by train. When you are having difficulties in bringing the paper book maybe the form of A Pair of Blue Eyes in e-book can be your substitute.

Colleen Nguyen:

Information is provisions for people to get better life, information nowadays can get by anyone at everywhere. The information can be a know-how or any news even a huge concern. What people must be consider any time those information which is inside the former life are challenging to be find than now is taking seriously which one works to believe or which one typically the resource are convinced. If you find the unstable resource then you get it as your main information it will have huge disadvantage for you. All those possibilities will not happen inside you if you take A Pair of Blue Eyes as your daily resource information.

Vincent Newton:

Playing with family within a park, coming to see the marine world or hanging out with close friends is thing that usually you might have done when you have spare time, subsequently why you don't try point that really opposite from that. A single activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you already been ride on and with addition of information. Even you love A Pair of Blue Eyes, it is possible to enjoy both. It is great combination right, you still wish to miss it? What kind of hang type is it? Oh can happen its mind hangout folks. What? Still don't get it, oh come on its identified as reading friends.

Ricky Bodkin:

Can you one of the book lovers? If yes, do you ever feeling doubt while you are in the book store? Try to pick one book that you find out the inside because don't ascertain book by its protect may doesn't work is difficult job because you are scared that the inside maybe not because fantastic as in the outside appearance likes. Maybe you answer may be A Pair of Blue Eyes why because the excellent cover that make you consider in regards to the content will not disappoint an individual. The inside or content is actually fantastic as the outside or even cover. Your reading sixth sense will directly show you to pick up this book.
