Desire's Edge is an erotic, insightful novel about one of today's most controversial topics: polyamory. Amy has a core need to occasionally be sexually dominant with her husband, and he's not getting the message. Her solution is very unconventional. She wants her best friend, Raine, a lifestyle Domme, to mentor him. Initially, Bryce thinks Amy's crazy. Raine brings a new level of excitement and kink to the marriage. What they thought would be a temporary situation evolves into much more, especially when Amy and Bryce develop deeper feelings for Raine. Their newfound intimacy makes all three examine their views about love and sex outside marital boundaries, their sexual identities, and the definition of family. Embracing an inevitable destiny, the triad lives on the razor's edge of a happiness many will never know. Razor: Desire's Edge is a must-read for all those who saw, or heard about Showtime's controversial series, "Polyamory: Married and Dating." This groundbreaking, award-finalist erotic trilogy continues in Razor II: Love's Storm.
