The Wild Rush Trilogy Boxed Set J. Evans THE WILD RUSH TRILOGY BOXED SET

"A steamy, high-octane love story that will have you wondering how far you'd go if you stopped playing by the rules." -New York Times Bestselling Author Lauren Blakely

The Wild Rush Trilogy Boxed Set contains the first three novels in the Wild Rush series and tells Gabe and Caitlin's complete love story.

--ONE WILD NIGHT--

Caitlin

I'm in over my head.

I'm the only person who cared enough to stick around and raise my little brothers and niece, the only one fighting to keep the state from taking them from me.

Never in my wildest dreams did I think my saving grace would come in the form of a guy with more money than God and a Robin Hood complex.

Gabe

The only reason I'm back in town is to right my father's wrongs. It's more than absolution, it's a thrill, the one thing that can still make me feel. And then I meet Caitlin.

I've never believed in love...but something about this girl makes me wish I did

--THIS WICKED RUSH--

Caitlin

If loving him is bad, I don't want to be good. Every moment with Gabe is hotter, better, sweeter than the last. I know I'm playing with fire, but for him I'm willing to beg to be burned.

Gabe

We're going too far, too fast. This is more than a summer fling. More than stealing from the rich to feed the poor. If I really love her, I'll walk away and stay the hell out of her life. But I can't. Even though I know that if we're not careful, our next rush might be our last.

--ONE PERFECT LOVE--

Caitlin

Loving Gabe made me stronger than I was before. Better. He taught me that love is both beautiful and vicious, terrifying and intoxicating. I'm not afraid of the wild parts of my heart any more. Or the broken pieces. I know now that it's possible for two imperfect people to make one perfect love, regardless of the outcome. He showed me that.

I'm still imperfect. And now all my conquered fears, everything I believe in, and everything I thought was true are about to be put to the biggest test yet.
