## Art of Jon Hul

A man of many talents, Jon Hul always had a love for illustration, but an overriding passion for music. In the race to see which discipline would finally pay the bills, art won over the drums, and rock's loss was the pin-up's gain! Hul has fused his eye for color, detail, and composition with an appealing photo-realistic style. The results literally stop you dead in your tracks! Gallery shows bring in the serious collectors, and Jon's reputation for outstanding works of sheer beauty keep the artist hard at his craft! This is the first collection of his paintings, and is a MUST-HAVE book for anyone considering themselves a pin-up fan! A really sweet package of magnificent works by a true original.
