## Debt K C Wells

Two months after Mitch Jenkins had the rug pulled out from under him when his two-year relationship came to an abrupt end, he is still hurting. A colleague's attempt to cheer him up brings Mitch to a secret club. Mitch isn't remotely interested in the twinkles parading like peacocks, until he spies the young man at the back of the room, nose firmly in a book and oblivious to his surroundings. Now Mitch is interested.

Nikko Kurokawa wants to pay his debt and get the hell out of the Black Lounge where he is forced to not only have sex, but sometimes suffer abuse to please clients. Earning his freedom isn't proving easy, especially when he starts attracting interest. Life becomes that little bit easier to bear when he meets Mitch, who is nothing like the other men who frequent the club. And when Mitch crawls under his skin and into his heart, Nikko figures he can put up with anything. Before long he'll be out of there, and he and Mitch can figure out if they have a future together.

Neither of them counted on those who don't want Nikko to leave . "
