Game Over: The Inside Story of the Greek Crisis George Papaconstantinou

This is the breath-taking story of an incredible period, told for the first time not by an outside observer, but by one of its protagonists.

In this real-life political thriller, former Greek Finance Minister George Papaconstantinou tells the inside story of the six years during which the Greek drama changed Europe and riveted the world. It is the story of a country forced by past mistakes into unprecedented actions with enormously painful consequences. A story about the people who shaped events by trying to respond to rapidly evolving circumstances often beyond their control. About decisions – good and bad, right and wrong – taken in official and behind-the-scenes gatherings in Brussels, Berlin, Frankfurt, Paris, London, New York, Washington and Athens; in Luxembourg châteaux courtyards, Davos kitchens and Bilderberg gatherings; in elegant offices and dreary basement meeting rooms.
