Straw Bale Gardening Joel Karsten

This booklet is a guide to growing a successful Straw Bale Garden written by the pioneer of this method of gardening. He has perfected the perfect way for anyone to have a garden without weeding, bending over, or using chemicals. If you follow his step by step methods and suggestions you will be assured to grow a beautiful and productive garden this year, even if you have never gardened before. The best part is that if the soil in your backyard is less than productive it doesn't matter at all. If you have sunlight and water, you will have a great garden this year. From the Arctic Circle in Northern Alaska to the heat of the desert in Saudi Arabia, people are using this method, and having great success. The booklet is full color with 78 pages, and has a perfect bind booklet binding.
