Getting your business profitable and cash positive is easier than you might think.

In fact, it can happen right now by reading this book.

This is the 90/10 rule.

It's deceptively simple, works like a charm and can be implemented within the month.

If this is your first book on investment, and concerned that it might be too complicated, please do not be concerned. All I ask is to open up your mind and read this book from the beginning to the end.

In fact, by reading the entire book, you will know a lot more about investing than many people who are being paid to give their investment advice. In many ways, this book starts simple and remains simple.
