With games, puzzles, quotations and commentaries on art and artists, the Art Game Book is an all-new and original way of exploring every aspect of 20th-century art in the United States and Europe: painting, sculpture, architecture, design, video, installation, photography. The Art Game Book offers even more: In addition to presenting the principal artistic movements, abundant illustrations, numerous games and a glossary, this book includes an appendix with an international guide to museums, websites, fairs and events devoted to modern art the world over. More than 300 artworks illustrate this unique and interactive introduction to modern art history.
