In the aftermath of the "Infinite Crisis", Superman, Batman and Wonder Woman vanished for a year. And if ever they were needed, now's the time! In the aftermath of the explosive climax of 52, Black Adam - the reformed supervillain with powers greater than almost every other superhero - has gone on a terrifying, murderous rampage, slaughtering thousands. But with Superman gone, is there a single superhero on Earth who can stop him? The answer seems to be no - but if all the other heroes were to work together...! Written by fan-favourite JSA artist Keith Champagne and Suicide Squad legend John Ostrander, with a host of superstar artists, this is the mother of all battles!
