Revelation (Brazos Theological Commentary on the Bible) Joseph L. Mangina

This commentary, like each in the Brazos Theological Commentary on the Bible, is designed to serve the church--providing a rich resource for preachers, teachers, students, and study groups--and demonstrate the continuing intellectual and practical viability of theological interpretation of Scripture. In this addition to the series, Joseph Mangina offers a constructive ecclesiology for the role and mission of the church in the twenty-first century formed by a close examination of Revelation.
