"You had your chance, and you threw it away ..." Five years ago, Jen woke up with a ring on her finger and her fiance nowhere to be found. She swore she'd gotten over the betrayal, but when Clay unexpectedly hires on with the rodeo for a week, she finds herself torn between passion and regret. Clay left intending never to see Jen again. He's been running from his troubled past for far too long, and it's not a life he wants for her. But it's hard to run from the past when the past is your own family, and Clay finds himself thrown back into the chaos he thought he'd finally left behind. Will the truth drive Jen away, or is there a second chance at happily-ever-after for this runaway cowboy?
