Learn how to get the domain name you need - and how to keep it! The Domain Name Handbook will guide you through the InterNIC registration procedures, warning you of the potential pitfalls, and presenting an up-to-the-minute report on the new top-level domain names and the competing registrars. You'll learn how to negotiate and protect your financial, legal, and operational interests, and you'll discover methods for preventing trademark intrusions and piracy. You'll also examine the debates, confusion, and conflicts people have faced while registering domain names - problems that you can avoid.
