Institution and Passivity: Course Notes from the Collège de France (1954-1955) (Studies in Phenomenology and Existential Philosophy) Maurice Merleau-Ponty

Institution and Passivity is based on course notes for classes taught at the Bibliothèque Nationale de Paris. Philosophically, this collection connects the issue of passive constitution of meaning with the dimension of history, furthering discussions and completing arguments started in *The Visible and the Invisible* and *Signs* (both published by Northwestern). Leonard Lawlor and Heath Massey's translation makes available to an English-speaking readership a critical transitional text in the history of phenomenology.
