"Isn't that all we can hope for, anyway, to be happy when we crawl into bed every night and to wake up the same way every morning?" 17-year-old Kate isn't happy. Her boyfriend just broke up with her and she doesn't have a clue where to go next. When her Astrology-obsessed friend suggests Kate let her horoscope guide her through the break-up, Kate ends up in one sticky situation after another, all designed to help her get her boyfriend back, no matter what she might have to give up along the way. Have you ever wished you had someone to show you the way through the rough patches or is it better to let Fate take the reins?
